

Employee Leave Policy

Purpose: Defines general procedures for requesting, reviewing, and recording employee leave.

Leave Request

Employees should submit leave requests with the requested dates and leave type.

Manager Review

Leave requests should be reviewed according to department procedures and operational requirements.

Leave Recording

Approved leave should be recorded in the employee leave records.

Conflicting Requests

Requests that create significant operational conflicts may require additional review.

Record Accuracy

Leave records should be kept current and consistent with approved requests.
